MULTIFUNCTIONAL PRODUCTIVITY NOW COMES IN COMPACT

Ideal for the Space-Conscious Business Environment

imageRUNNER 1435iF

- COPY/PRINT/COLOUR SCAN/SEND/FAX
- 35PPM • UFR II LT • SCAN TO EMAIL/ NETWORK FOLDER/USB • NETWORK-READY • SECURE PRINT

imageRUNNER 1435

- COPY / PRINT / COLOUR PULL SCAN
- UFR II LT • SCAN TO USB • 35 PPM
- NETWORK-READY • SECURE PRINT
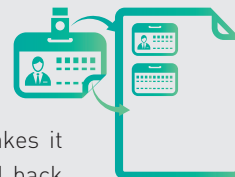

Business *Can* be simple

AN INTELLIGENT MULTIFUNCTION DEVICE THAT DELIVERS AN INDUSTRIOUS PERFORMANCE

Heavy-Duty Print Capabilities

Made possible by Canon's Ultra Fast Rendering (UFR II LT) technology, the imageRUNNER 1435iF and imageRUNNER 1435 achieve a print speed of 35ppm (A4). A new imageRUNNER controller further enables high-speed image processing and rendering to realise higher quality prints at faster speeds. With a redesigned paper path and toner fixing at low temperatures, printouts are delivered crisp with minimal paper curl.

Efficient and Smart Copying

The ID Card Copy function makes it foolproof to copy the front and back of a card or license onto one page, thus reducing the number of pages printed and saving costs.

Save printing cost by forwarding all your incoming faxes

imageRUNNER 1435iF

imageRUNNER 1435

Email addresses

Network folders in file servers

Effortless Fax Function*

Manage your fax traffic with the Fax Forwarding function which lets you forward all or selected incoming faxes to another fax number, email addresses or shared folders in file servers. This function is a great saver on printing costs and storage space as you do not need to print every incoming fax.

With the archiving sent fax function, faxes that were successfully sent will automatically be stored in a preset destination such as email addresses or network folders.

*Only available on the imageRUNNER 1435iF

Colour Scanning Convenience

Scan and save documents directly into a USB memory device in PDF, JPEG or TIFF formats. The imageRUNNER 1435iF can perform Colour Push Scan to multiple destinations of one type, such as email and network folder. You can save yourself plenty of time by designating multiple destinations for your original scans without having to repeat the process.

USB

EMAIL

**SCAN DIRECTLY TO**

NETWORK FOLDERS

NETWORK-READY, MOBILE-FRIENDLY

The imageRUNNER 1435iF and imageRUNNER 1435 are designed to fit seamlessly into your existing network infrastructures. With support for IPSec, IEEE 802.1x and IPv6, the devices provide various network security to further protect your confidential information.

To print or scan photos, web pages and documents from the imageRUNNER 1435iF or imageRUNNER 1435 with your mobile device, download the free Canon Mobile Printing app and the Canon Mobile Scanning for Business app from the App Store or Google Play.

Operational Panel of imageRUNNER 1435iF

Enhanced Device Management & Security

300 REGISTERED DEPARTMENT

Configure access and function restrictions for up to 300 registered Department IDs with the **Department ID Management function**. You can track print and copy usages, restrict certain functions and assign selective access privileges.

The **Secure Print function** keeps confidential documents private by allowing you to set a PIN when printing from your computer. The document is held in the device's memory and not printed until you have input the correct PIN on the operation panel of the device.

With built-in **Remote UI**, you can access and manage the device remotely from a web browser on your computer. **e-Maintenance service** helps you keep track of consumables and automatically places a re-order request for items that are running low directly to relevant service centres.

GENERAL SPECIFICATIONS		iR1435	iR1435iF
Type		A4 Monochrome Multifunctional Device (Reader/Printer Desktop)	
Copy/Print Speed		35 ppm (A4)	
Warm-Up Time		20 seconds or less	
Recovery from sleep mode		7.8 seconds or less	
First Copy Time		6.9 seconds or less	7.9 seconds or less
Processor Speed		533 Mhz	
Memory		512 MB	
Interface	Network	10Base-T, 100Base-TX, 1000Base-T	
	Others	USB2.0 x 1 USB1.1 x 1	
Dimensions (H x W x D)		422.5 mm x 545 mm x 457 mm	475.3 mm x 545 mm x 457 mm
Weight		Approximately 22.34kg	Approximately 23.74 kg
Installation Space (W x D)		772.1 mm x 457 mm (when the multi-purpose tray is extended)	
Power Supply		220 to 240 V AC, 50/60 Hz, 3.8 A	
Max Power Consumption		1.5 kWh or less	
Toner Yield (A4, 6% coverage)		17,600	
Drum Yield		35,500	

PRINT SPECIFICATIONS			
Print Resolution		600 x 600 dpi	
Paper Input Capacity (Standard)	Cassette 1	500 sheets (80 gsm)	
	Multi Purpose Tray	100 sheets (80 gsm)	
Paper Input Capacity (Optional)	Cassette 2	500 sheets (80 gsm)	
Paper Weight	Cassette 1,2	64 - 90 gsm	
	Multi Purpose Tray	60-128 gsm	
Page Description Language(s)		UFR II LT (Standard), PCL5e/6 (Optional), Adobe PostScript 3 (Optional)
