Dell UltraSharp 34 Curved Monitor | U3415W
86.5 cm (34 inches)

The Dell UltraSharp 34 Curved Monitor offers you:

An immersive audio and visual experience

You'll be drawn into a whole new world of cinematic clarity, superb sound and an ultra-wide curved view with the Dell UltraSharp 34 Curved Monitor.

- Immerse yourself in the 34" 21:9 panoramic view with vivid, cinematic clarity and amazing WQHD resolution.
- Dive deeper into the action with a virtually "wrap around" view and rich audio from dual integrated 9W speakers.
- Enjoy sharp and clear images right up to the edges of the ultra-wide screen with WQHD resolution (3440 x 1440 @ 60 Hz).
- Work with nearly perfect color accuracy¹ thanks to consistent and accurate colors right out of the box — each monitor is factory tuned at 99% sRGB with a deltaE < 3.
- Experience a virtually borderless cockpit view across multiple screens thanks to the ultra thin bezel of the U3415W.

Unrivaled usability

Work or play the way you like with a multitude of flexible viewing and connectivity options.

- Navigate across multiple applications from two separate PC inputs thanks to Picture by Picture and Picture in Picture features.
- Easily work with multiple applications tiled side by side using Dell Easy Arrange.
- Enjoy the convenience of extensive connectivity for smartphones, tablets, laptops and PCs through multiple input ports.
 - Outstanding image quality with high-definition content thanks to the HDMI (MHL), DisplayPort, and mini-DisplayPort ports.
- Help boost productivity and enjoy comfortable viewing with multiple adjustability features like tilt, swivel, and height adjustability.

Reliability with an eco-conscious design

Built for reliable performance with proven technology from the makers of the number 1 monitors worldwide*.

- Get peace of mind with Dell's Premium Panel Guarantee²
- Limited Hardware Warranty⁴ and Advanced Exchange Service³ help minimize downtime and boost productivity.
- Do your part for the environment — the Dell UltraSharp 34 Curved Monitor meets the latest regulatory and environmental standards like ENERGY STAR[®], EPEAT[®] Gold⁶ and TCO Certified Displays.
- Eco-designed BFR/PVC-free monitor (except external cables) with arsenic-free glass and mercury-free LED panel and more than 25% post consumer plastics in its chassis.

Immersive audio and visual experience and superb usability great for:

- Game and content developers
- Specialized application users in the financial sector
- Gaming and tech enthusiasts
