

HP V193 18.5-inch LED Backlit Monitor

Get quality presentation features at a price point that doesn't break the bank with the HP V193 18.5-inch LED Backlit Monitor, a sleek, thin-profile monitor in a compact, space-saving screen size with an unbelievably low price point.

Business-class presentation features.

- Enjoy crisp, clear views of your documents and e-mail with 1366 x 768 resolution, 5M:1 dynamic contrast ratio, and 5 ms response time on an 18.5-inch diagonal screen.¹ Quickly and easily connect to your devices with a VGA input.

Affordable, stylish, and compact.

- Make a good impression and leave plenty of room on the desk with a design that complements HP PCs and has a small footprint. The internal power supply also helps keep your workspace tidy.

Designed with the environment in mind.

- Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® qualified and EPEAT® Silver registered.² The display also includes mercury-free display backlights and arsenic-free display glass.
- Customize your display's position with adjustable tilt settings and viewing angles.
- Free up valuable desk space and take the monitor completely off the desk; the integrated 100-mm standard VESA pattern supports wall or swing arm mounting with the HP Quick Release.³
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select optional HP Care Pack Services.⁴

Accessories and services (not included)

HP USB Graphics Adapter

The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays (one per adapter) to help you boost productivity and multi-task across several open applications.

Product number: NL571AA

HP LCD Monitor Quick Release Mount

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP Adjustable Dual Display Stand

The HP Adjustable Dual Display Stand allows you to use two displays to maximize your productivity and optimize efficiency. Either or both displays can be rotated to landscape or portrait orientation, and the stand is depth-, height-, tilt-, and angle-adjustable so you can view both screens at eye-level as well as slightly facing each other, letting you track multiple applications and information sources at the same time. Integrated base rollers let you rotate the stand so you can more easily share your work.

Product number: AW664AA

HP Business PC Security Lock Kit

Protect your HP Business PC from tampering or theft in public locations by locking-down peripherals such as mice, keyboards, monitors or USB security devices and preventing the removal of the PC chassis cover.

Product number: PV606AA
